2. **Drugs and Diuretics:** Administration of any drug of any kind or description internally or externally is prohibited, except for treating a recognized disease or injury as prescribed by a licensed veterinarian. For the purpose of these rules the term “drug” shall mean: any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect circulatory, respiratory or central nervous systems of an animal to include diuretics. The use of any diuretic for any purpose whatsoever on any animal in the show is prohibited. Show management reserves the right to take blood and/or urine samples for analysis. Any violators will be reported to the appropriate state and federal authorities.
3. An original registration certificate in the exhibitor’s name (no farm name accepted) is required on all registered heifers. Heifers and steers are required to be individually marked (tattoo, ear tag or brand). GA Tags are not required for the show.
4. **Heifer Information:** Registered purebred heifers will be shown by their age. The age ranges will be as follows: September of 2022 to December of 2022, January of 2023 to April of 2023, May of 2023 to August of 2023, September of 2023 to December of 2023, and January of 2024 to April of 2024. There will be no declaring of weights for commercial heifers or market heifers and no weigh backs.
5. **Market Animal Information:** Market animals will be shown by breed and weight. The breed of each animal must be entered on entry form. Three classifiers will independently determine if a steer is entered correctly, if not, they will recommend an appropriate breed or the steer will be automatically moved to the crossbred class. A minimum of 7 classified market animals will be required to recognize a breed. Breeds with 10 head or more will be shown in at least two classes. Every effort will be made to have as small a weight spread as possible in each class. Breeds with less than seven head will be shown in All Other Breeds (AOB). **A slick steer division will be recognized this year. The rules for the slick steer division will match the Georgia Junior Beef Futurity rules. The slick steers will show against the haired steers and market heifers for the top 5 honors.**
