Spring Enrollment & Payment due to State Office by

April 1st 2027

Declaration of Enrollment

Once ALL of the students in your program have been submitted, read through and approve the three statements on the **AG ED ENROLLMENT DECLARATION** page. Completing this step will be the final step in submitting your rosters and enrollment for the term.

****Make sure your declaration is completed in order to receive your invoice****

FFA Roster

- Using the FFA roster link, review the names listed under the **Pending Submission** column - verify that they have not been previously submitted.
- Any missing info will be identified to the right of each student's name.
- Uncheck the box next to any student who does not need to be submitted to your roster.
- Once submitted, students will appear under the submitted members column.

Invoicing for Affiliation

High school invoices will be available after enrollment is declared and can be found on the **Account Balances** page.

Students submitted **after fall invoices are generated**, will be included on the spring invoice.

Middle School chapters will pay a flat fee of \$900 and will receive invoices by Sept. 1st

Don't forget to add your courses for the year **BEFORE** you begin adding students to the roster!
